Trapping: All items in the document must be trapped to fit. We DO NOT provide trapping, and will not be responsible for undesirable results due to improper trapping.

Proofs: A color proof of your ad is recommended. Publisher cannot

guarantee reproduction of ads without a SWOP industry standard proof. Proofs should be output at 100%. Digital proofs and laser prints are not considered accurate in color and will be treated as "content verification only" proofs. A digital proof must accompany all ad files uploaded to our file transfer site. A SWOP standard proof should also be sent in the mail. Material Storage: Printing material will be stored for 12 months and then destroyed unless advised otherwise.
